**Re:** Application Packet

---

Attached you will find a credit application along with a couple disclosures. The application itself should be completed as fully as possible. Please include information related to any collateral you are offering to secure the proposed loan. If the loan is to be secured with a vehicle, a copy of the title or the VIN# of the vehicle is very helpful. Make sure to sign the application on the last page and initial the first page where indicated if you are applying jointly with someone else.

The following disclosures are attached to the application and require your signature(s) as a way of acknowledging you have read them: 1) **Covered Borrower Identification Statement**-one of the three statements should be checked with applicant(s) signing on the designated line attesting to whether or not they are an active or reserve member of the military or a dependent of an active or reserve member of the military; and (2) **Authorization to Release Information**- if you intend to secure the loan with collateral you already own or plan to buy, please list it where indicated. Make sure to sign this form which can help expedite processing of your loan if insurance is required on the collateral. PBOA must have an insurance declarations page reflecting the collateral securing the loan and showing PBOA as the loss payee **before** we close or fund a loan. The final disclosure is **PBOA's privacy policy** and is yours to keep for reference.

In addition to returning the above along with any other supporting documents, **please submit a copy of a recent paystub (within last 30 days) for proof of income.** Once all this information is completed and gathered, please feel free to drop the information at the nearest bank location. You will be contacted within a few days regarding approval or denial of your request or if additional information is needed.

If you have any questions, feel free to contact the Jackson loan department at (573) 243-6969 or the Altenburg loan department at (573) 824-5221.

**\*\*\*Failure to complete the application in its entirety and provide supporting information as outlined above may result in denial of your loan request or may delay the processing of your loan request.**
